

AURORA COLLEGE

POLICY

The College shall support the promotion and increased use of Traditional Knowledge in all aspects of the College community.

PRINCIPLE

1. Aurora College recognizes through its Strategic Plan, the value of Traditional Knowledge.

PROCEDURES

1. The College will develop an operational plan for the promotion and increased use of Traditional Knowledge.
2. Based on the College's operational plan, Campuses, Community Learning Centres and Research Centres shall develop guidelines and plans for the use and promotion of Traditional Knowledge.
3. Individual programs will include specific approaches and materials relating to the use of Traditional Knowledge.
4. The College will collaborate with Aboriginal groups and institutes to identify and incorporate Traditional Knowledge in programs and services.
