

AURORA COLLEGE

POLICY

Aurora College shall establish and maintain a student scholarships and awards program.

PRINCIPLES

1. Aurora College recognizes the achievements of individual College students through scholarships and awards.
2. The College encourages each student to strive for excellence in all aspects of student life.
3. The College encourages private donors and organizations.

PROCEDURES

1. Each Director shall establish a Scholarships and Awards Committee which will determine the recipients of cross-departmental scholarships and awards.
2. The Scholarships and Awards Committee shall establish the criteria and determine the recipients of Aurora College Scholarships and Awards.
3. The Committee's decision in determining the recipients of Aurora College scholarships and awards shall be final.
4. Scholarships and awards which are not specific to a Campus and impact on more than one Campus Region shall be administered through the Director of Policy and Programs.
5. Scholarships and Awards Committee shall solicit private donors, organizations and College staff to participate by establishing and maintaining support for scholarships and awards.
6. Individual students may refuse, in writing to the Scholarships and Awards Committee any scholarship or award. In such cases, the College will recognize the next qualified person.
