

# AURORA COLLEGE

---

## **POLICY**

Aurora College shall establish procedures for students to access unsupervised classroom areas for study purposes.

## **PRINCIPLES**

1. Aurora College recognizes that students' needs include access to College facilities outside of scheduled class time.
2. The College recognizes that it is not always possible to provide classroom access outside normal class hours.
3. The College recognizes that its assets and the staff/students require protection and security.

## **PROCEDURE**

1. Each community learning centre and campus will establish its own procedures for the use of unsupervised facilities.
