- Firearms can not be in units, they can be checked in to residence staff for safe keeping

We are alcohol and drug free

We want to keep our units looking lovely for the next person so please treat them with care. Leave your nails, stickers, stensils at home, our walls thank you. You will be living with neighbours and people with allergies so please leave your pets behind. We all love fresh air so smoke only in designated areas NEVER in your unit! Keep the outside of your unit tidy, your neighbour will love it. There are limited parking spots so bring only one vehicle (this will also save you \$)
